HDFC Bank Credit Cards offer the Card-member the facility of revolving credit. The Cardmember may choose to pay only the Minimum Amount Due printed on the statement. The balance outstanding can be carried forward to subsequent statements. The Cardmember can also choose to pay the Total Amount Due or any part of the amount above the Minimum Amount Due.

Such payment should be made before the Payment Due Date. Clear funds need to be credited to HDFC Bank Card account on or before payment due date to avoid Late Payment Charges. Cardmembers are advised to drop local cheques well in advance of the Payment due date to ensure payment reflects on the card account within the Payment due date. Any unpaid Minimum Amount Due of the previous statements will be added to the Cardmember's current Minimum Amount Due in addition to the outstanding exceeding the Cardmember's Credit Limit.

Payments made towards the card outstanding are acknowledged in subsequent statements. Payments received against the Cardmember's card outstanding will be adjusted against all Pre-closure of loans (Loan Principle outstanding / Pre-closure Charges + GST), GST, Fees & Charges (Other than Finance Charges), Finance Charges, EMI, Cash Advances and Retail Purchases in that order.
