In case of cardholders holding both VISA & RuPay variants of Pixel credit card, a single statement will be issued including transactions incurred on both the cards. The Minimum Amount Due (MAD) & Total Amount Due (TAD) will be calculated on the combined outstanding of both the cards

Example: If the Total outstanding on VISA Pixel card is Rs. 10,000 & on RuPay Pixel is Rs. 10,000.

TAD will be Rs.10,000+Rs.10,000 = Rs.20,000 & MAD will be 5% of Rs.20,000 i.e Rs.1,000

ii. Minimum amount payable: If Finance charges > (5% of Retail Spends + 5% of finance charges) then MAD = Total GST + EMI amount + 100% of Fees/Charges + 100% of Finance Charges + 5% of [Retail Spends + Cash Advance (if any)] + Overlimit Amount (if any) and rounded to the next higher 10th digit.

If Finance charges < (5% of Retail Spends + 5% of Retail finance charges) then MAD = Total GST + EMI amount + 100% of Fees/Charges + 5% of [Finance Charge (if any) + Retail Spends and Cash Advance (if any)] + Overlimit Amount (if any) and rounded to the next higher 10th digit.

However,

- In cases where MAD value is calculated as per the aforementioned details falls below or equal

to Rs 200, the MAD value will be charged as Rs 200/-

- Where statement value of Total Amount Due (TAD) is Rs 200 and lower, MAD will be equal to TAD.

Retail Balance means all purchases of goods or services through store or online from the Credit Card, excluding all Cash Advances, Balance Transfers, Instalment Payment Plans, other credit plans, fees, and charges.

HDFC Bank Credit Cards offer the Card-member the facility of revolving credit. The Cardmember may choose to pay only the Minimum Amount Due printed on the statement. The balance outstanding can be carried forward to subsequent statements. The Cardmember can also choose to pay the Total Amount Due or any part of the amount above the Minimum Amount Due.

Such payment should be made before the Payment Due Date. Clear funds need to be credited to HDFC Bank Card account on or before payment due date to avoid Late Payment Charges. Any unpaid Minimum Amount Due of the previous statements will be added to the Cardmember's current Minimum Amount Due in addition to the outstanding exceeding the Cardmember's Credit Limit.

Payments made towards the card outstanding are acknowledged in subsequent statements. Payments received against the Cardmember's card outstanding will be adjusted against all Pre-closure of loans (Loan Principle outstanding / Pre-closure Charges + GST), GST, Fees & Charges (Other than Finance Charges), Finance Charges, EMI, Cash Advances and Retail Purchases in that order.

iii. Method of payment: Payments towards the card account may be made in any of the following ways:

a) Netbanking & Debit card Payment: Cardmember can make payment through Debit card from HDFC Bank or other bank account in PayZapp.

b) UPI Payment: Cardmember can make payment through UPI ID from HDFC Bank or other Bank account in PayZapp.

iv. Billing disputes resolution: All the Contents of the statement will be deemed to be correct and accepted if the Cardmember does not inform HDFC Bank of the discrepancies within 30 days of the Statement Date by raising a dispute ticket on PayZapp Mobile App in Pixel Credit Card
